Comments 3

For clarity, don't copy from the API b/c sometimes the language isn't clear at first
Distinguish difference between pollers and peekers
The To-Do part was good and helpful

Style 4

Very organized

We liked that you guys distinguished between pollers and peekers.

Robustness 4

The driver file is extensive and is very organized when it prints out in the terminal.

README 4

good explanation of why you chose your methods
